Rumble — Graham Healy reports on serious adverse reactions and life destroying effects of the poison Pfizer. that is maiming Young Australians all over the country , but the federal and state governments continue with their 'mantra of vaccinations is the solution to covid' when TGA figure state that there are 642 deaths and 76,587 serious side effects in just 9 months (22/2/21 to 4/11/21) this year compared to 58 Deaths associated with vaccines over the LAST 50 years !

👉 YES THATS RIGHT 642 DEATHS IN 9 MONTHS compared to 58 in the last 50 years . 👉

👉 SOMETHING VERY SERIOUS IS HAPPENING as the Hospital Fill with Pfizer poison/vax victims .

Covid was less serious then the season flue (50% less in Australia) however the disproportionate response from federal and state governments you would think the BLACK PLAGUE HAD HIT " ? except the medical facts do not match the fearmongering .

👉 THIS HAS NOTTING TO DO WITH YOUR HEALTH BUT POLITICAL CONTROL.

In the meantime Pfizer rushes through a poison THAT HAS NEVER BEEN TESTED ON HUMANS BEFORE and the horrific side effects and permanent life long injuries and disabilities are horrific in Australia .

10,000 cases are now taking legal action against the government.

The Government (Federal and State) is trying to force mandates to this unsafe and untested poison this will result in Neuremberg trial 2 /a massive Royal commission into corruption and the Australian federal and state governments relationship with the crime syndicate called Pfizer (whose criminal track record and falsifying so called 'safety test data' on harmful medications and vaccines precedes them) .

👉 Add in Dr Death/Fauci who we discover funded the Wuhan bio lab where the virus originated from and then we see Dr Death/Fauci (now exposed by the USA senate) who just happens to be the chief spokesperson and representative of Pfizer, the pieces all fall into place.

👉 When Australians chief virologists Professor Nikolai Petrovsky says "I REFUSE TO GET JABBED WITH Pfizer BECAUSE ITS UNSAFE !" THEN YOU KNOW THERE IS A REAL PROBLEM HERE ▶

Professor Petrovsky goes on to say that his scientific peers were shocked when they heard that Pfizer was awarded the Australia contract on Mrna technology (as they knew this was all still experimental)

BUT the criminal cartel Pfizer HAS MORE MONEY THEN OIL COMPANIES and in many cases controls 3rd world governments now it certainly looks like the Australian federal and state governments are in bed with the criminal cartel .

👉Graham Healy details solutions to employee mandates in the Healy Report and goes on to overview the comparison figures from TGA death rates over the last 50 years .

👉Graham has a 50 years background in health and fitness/nutrition and has recently completed a med-science degree over the last 5 years .

His most recent studies were medical evidence bases of data and how medical trials are conducted in the scientific world.

Graham notes that a huge importance in medical science is the declaration of financial conflicts of interest and any type of bias and in normal scientific papers must be exposed to the peer scientific community for scrutiny and any medication or procedure must be able to be duplicated by other medical scientists to prove validity . 👉

NONE OF THIS WAS DONE BY PFZIER NOT THE AUSTRALIAN FEDERAL OR STATE GOVERNMENTS OR TGA in fact the scientific peers (like Australian Professors Petrovsky, Clancey, Borody, Steele, were de-platformed (as were thousands of highly qualified virologists and immunologists across the world ) THIS IS NOT NORMAL IN FACT HAS CROSSED THE LINE TO CRIMINAL when the real medical scientific experts are ON PURPOSE SILENCED and the GOVERNMENT PROPAGANDA NARRATIVE IS THE ONLY VOICE !

👉In the meantime you have Australian PM Scott Morrison (from Pfizer marketing department) continually advertising percentages Vaxed in a massive propaganda campaign 80% vaxed etc in the background the hospitals are filling not with covid patients by with vaccination victims as the front line nurses report especially myocarditis in the young people who have zero to nil chance of catching covid (more statistical chance of being struck by lightning ) .

👉IS COVID DEADLY ?

statistically less deadly (death rates ) then the common Flue (4,269 deaths in Australia in 2017 due to Influenzas and pneumonia ) .

👉In 2019, there were 49,035 deaths from cancer in Australia (27,699 males and 21,336 females). In 2021, it is estimated that there will be 49,221 deaths (27,600 males and 21,621 females). In 2021, it is estimated that a person has a 1 in 6 (or 16%) risk of dying from cancer by the age of 85 (1 in 6 or 18% for males and 1 in 7 or 13% for females). The estimated 10 most common causes of cancer death in 2021 are shown in Figure 3.

👉HAS THE COVID RESPONCE BEEN TOTALLY DISPROPORTIONATE ?

absolutely 100% and its been unscientific, politically motivated, vaccines (so called) are manipulated by criminal cartels (Pfizer) with a corrupt Australian federal and state governments who are completely heartless towards vax victims .

👉NEXT FEDERAL ELECTION MARCH 2022 THE SWAMP MUST BE DRAINED COMPLETELY BOTH FEDERAL & STATE and a new coalition Government to be formed United Australia party, one Nation and Australia one.

👉THEN A MASSIVE ROYAL COMMISSION WILL COMMENCE (Nuremberg 2) Trials will commence as we bring to justice these criminals .

👉The Pfizer poison must be INCINERATED EVERY LAST VIAL and professor Petrovsky placed in charge of covid medical response and his SAFE covax vaccines implemented (now at stage 3 Trials with 16,000 volunteers no adverse reactions) Professors Borody and Clancey can roll out the Ivermectin formula and then AUSTRALIA IS SAFE FROM COVID and more IMPORTANTLY SAFE FROM CORRUPT FEDERAL & STATE BUREACRATS and then we can look at turning

the economy of Australia around and re-enforce our military to defend our Australian Shores not our own citizens for not wearing a stupid cloth mask.
