

This is a word I received from my Heavenly Father for Graham Healy.
Graham will be running for the Senate with confirmation early July with My endorsement. Craig Kelly will be the instigator.
This will be a tight election but I am going to put Ten Strongmen into the Senate-Independents. All major parties/party will bow /comply with them to get any legislation through parliament.
This will happen because my people prayed and evil agendas will be removed.
I am going to right this nation and reverse evil and people will worship me again.
I will establish security on the borders. UN policies will be cut off.
The Reserve Bank will be pulled into line. The Law systems toughened up.
There will be celebrations by Christian's.
Australian will become The Great Southland of the Holy Spirit
